TI-83+ and Accessories Distribution Form

Student Name (please print)	
Student I.D. Number	

Dear Parent or Guardian:

In order to perform AP Statistic assignments at home, students will need graphing calculators. Specifically, the following items will be distributed:

- TI-83+ Graphing Calculator
- TI-83+ manual
- Texas Instruments Connect Software
- Silver link cable for transferring files from a computer to the calculator

All of the calculators are brand new and the student is responsible for keeping all items in the condition they receive them in. ***Parents will be help financially liable for any intentional damage done to the calculators or its accessories by their child. Failure to return the calculator and its accessories at the end of the school year may impede graduation.***

Please sign below accepting these conditions and return the entire form. DO NOT tear off the bottom of the form.

Permission

I (Parent's Signature) _____ give permission for my young adult to receive and use a TI-83+ graphing calculator with its accessories at home during the 2006 – 2007 school year.

I (Student's Signature) _____ have also read the above and will honor the guidelines set out for use of a TI-83+ calculator at home.
